The richest zip code in America & it's not in New York or California!

May 1, 2019

Where's the richest zip code in America? Well it's not in New York or California. It's Fisher Island just off the coast of Miami, Florida! Fisher Island's wealthy residents have an average income of \$2.2Million! It can only be reached by private ferry or yacht! It has an observatory, lush golf course, private beach with butler service, an aviary and much, much more.
